

zone met 3 woningen (Type A)

The site plan illustrates the layout of Kivitplein, detailing existing and proposed structures and landscaping. Key features include:

- Existing Buildings:** Labeled B1 through B6, situated along the bottom edge of the site.
- Proposed Buildings:** Labeled Lot 1B through Lot 6B, situated along the top edge of the site.
- Parking:** Indicated by 'P.' symbols, primarily located between the existing and proposed buildings.
- Green Spaces:** Includes a 'SPEELBOS' (play area) on the left and various 'voortuin' (front garden) areas.
- Dimensions:** Numerous numerical values are provided for lot sizes, building footprints, and setbacks.
- Orientation:** A north arrow is located in the top right corner.
